

# Lisbon Addictions 2015

## CALL FOR ABSTRACTS

23–25 September

Lisbon | Portugal

[www.lisbonaddictions.eu](http://www.lisbonaddictions.eu)

First European conference on addictive behaviours and dependencies

### FORM FOR THE SUBMISSION OF ABSTRACTS FOR SYMPOSIA, PANEL DISCUSSIONS OR WORKSHOPS

Symposia, panel discussions and workshops will last 75 minutes and the time can be allocated to papers and discussion as required.

**Symposia** will normally involve 3 to 5 papers and at least 20 minutes for discussion which may be led by a discussant.

**Panel discussions** will normally involve 3 to 5 brief presentations followed by an extended, structured discussion.

**Workshops** will normally involve 3 to 5 presentations and discussion aimed at achieving a clearly stated objective.

Please use the form below for submitting proposals for symposia, panel discussions or workshops:

<b>Title of session</b> ( <i>up to 200 characters including spaces. A title that clearly explains what the session will cover</i> )	
<b>Type of session</b>	
<b>Chairperson</b> ( <i>First and last name of the chairperson</i> )	
<b>Chairperson's institution</b> ( <i>Name and address of the chairperson's institution</i> )	
<b>Chairperson's email address</b>	
<b>Country</b> ( <i>Country of the chairperson's institution</i> )	
<b>Other authors/contributors</b> ( <i>Names of other contributors</i> )	
<b>Author institutions</b> ( <i>Institutions of other contributors, matched by numbers to the names</i> )	
<b>Theme</b>	
<b>Please declare funding and/or any conflict of interest</b>	

**Abstract** (up to 1000 words in total)

**Substance/ behaviour**

**Structure of the session** *(Describe how the session will run, including timings)*

**Background to the session** *(Give rationale for why the session is important)*

**Research questions/issues** *(Explain the key research questions/issues for the session)*

**Summaries of individual contributions**

*(These should normally follow a similar format to research reports or discussions but there is more flexibility if the session is not reporting data)*
