UNICRI (AL/AR)

Dear Dr. Libianchi,

I am pleased to refer to the symposium on “Prison and drug use: management, costs and criteria”, organized by the United Nations Interregional Crime and Justice Research Institute (UNICRI) and held in Lisbon on 23 September 2015 within the First European Conference on Addictive Behaviors and Dependencies.

I wish to thank you for your valuable participation in the event. The high level presentations as well as the following discussion regarding some of the most sensitive issues related to the treatment of people with substance use disorders involved in the criminal justice system, enabled the symposium to serve as a valuable opportunity to share data, existing good practices, priorities and challenges to be addressed.

Your collaboration has been much appreciated and we look forward to continuing our partnership in this challenging field.

Please accept the assurances of my highest consideration.
